E-ACT

Dentons Law Insight Experience:

Three of our Year 12 students had an amazing opportunity to spend two days with Dentons Law and experience a career in commercial law. They had the chance to network with professionals, learn about recruitment process and career insights and attend skills workshops. Well done to Ella, Holly and Amna!

REMAINING COLLEGE OPEN DAYS

Milton Keynes College - Wednesday 29th April
Northampton College - Wednesday 11th June
Moulton College - Saturday 13th June

WORK EXPERIENCE YEAR 10 & 12

We just want to say well done to those students who have so far secured a placement. **Work experience dates are 6th - 10th July and 13th - 17th July.** We require all students to log their placements via Unifrog. The deadline to log and complete a placement is **29th June**. If you have any questions please speak to the Careers Team. Students can drop in any breaktime or lunchtime or send an email to careers@ous.e-act.org.uk

MKUH EVENT

For students who are interested in a career in Health and Social, this event will be a great opportunity for them. This is not a recruitment event but one where they will provide lots of information and tips on the many different pathways into a career with MKUH, including work experience and volunteering.

OUR CAREERS SPRING BOARD...

With the sun making more appearances, we created another careers board highlighting just some of the careers relating to spring. From a Tractor driver, to a poultry farmer, camp leader, a hat designer and even a sheep shearer. Our display boards most definitely grab the students attention!

GLEBE FARM SCHOOL

Thank you to Glebe Farm school for inviting us to their Post 16 Pathways and Careers event. We helped to promote our Ousedale Sixth Form along with other local schools and colleges. It's always a pleasure to support other schools and their students.

SPEED INTERVIEW EVENT YEAR 10

We were thrilled to welcome 45 fantastic volunteers to support our Year 10 students at the NP campus during our Speed Networking event. Volunteers gave their time, energy and expertise, and our students were absolutely brilliant, engaging confidently and making the most of every conversation. We really couldn't do it without you!!
