## CHRISTMASY...

Our Halloween board was such a hit with the students that we wanted to create a fun and colourful Christmassy board displaying seasonal jobs to bring a little festive cheer!

## CAREERS FAIR

Our Careers Fair was another success!! Thank you to all our amazing exhibitors who generously gave their time to attend our Careers Fair! Delivering careers information, advice and guidance as well as all the careers programme of events really does highlight that we are a big team and how careers reach every aspect of school education and this is a whole school approach. We were absolutely thrilled that the event was so well attended by students and parents and hope everyone who came along found it inspiring and useful.

A special thank you goes to our DT Technician Kirsty Taylor-Price and her food tech students, Flo Vygus, Pippa Holloway, Hayes Richards, Chloe Malone, Jess Chhagan, Catherine Devlin and Jess Roach for delivering the most delicious mince pies and cookies for our exhibitors. They all went down a treat!
