FEBRUARY 2025

E-ACT

## Work Experience Talks:

We have held talks with our year 10 students regarding their upcoming work experience weeks.

### Work Experience

7th - 11th July & 14th - 18th July 2025

## Introduction Assemblies:

We have been introducing our Careers department and Unifrog to our year 7 and 8 students during morning assemblies.

## Linking careers to the curriculum:

We continue to link careers to the curriculum through our careers programme. From ex pupils visiting to talk about their career, occupational therapists and midwife visits, primary school visits and much much more.

We are always on the lookout for anyone who is able to give just an hour of their time to come and speak to our students.

## Career Guidance Meetings:

We are happy to say we have conducted nearly 75% one to one career guidance meetings to our year 11 students. All students will receive a meeting by the end of year 11.

## THE ARMY CHALLENGE DAY

Our year 12 students took part in The Army challenge and oh what fun they had! Students learnt about Army careers through lively and challenging activities. There was some great team building, communication and listening skills.

## WINVIC

A group of Sixth Formers were invited to discover the many opportunities within Winvic. They had an opportunity to explore the vast array of jobs and apprenticeships within construction and not just the traditional roles, they showcased that there really is something for everyone! They had a local site tour and talked through the life cycle of a project.

## MK COLLEGE BUS

Milton Keynes College visited both campuses with their big American yellow bus to speak to our year 11 students about college life and helped them to apply for courses.

## NATIONAL APPRENTICESHIP WEEK

Check out some of these useful links:

## DROP IN SESSIONS

Don't forget we offer drop in sessions during breaktimes and lunchtimes at Newport Pagnell campus. You can also drop us an email to [careers@ousedale.org.uk](mailto:careers@ousedale.org.uk)

## UNIFROG COURSES

Did you know Unifrog have some great courses students can participate in? Learn new things, connect with employers and universities. Search courses by subject area and career area. Students can log on using their school email address, parents can log in using this parent code:

**OSMKparent**
