## WOW...WHAT A BUSY TERM WE HAVE HAD IN CAREERS!

### Clare Young:

We welcomed Clare back to speak to our Year 8 students at the Newport Pagnell campus. Clare delivered another inspiring assembly, sharing her journey into a career in mental health. Thank you!

### Dale Willis from My Great First Job:

We were delighted to welcome back Dale Willis from My Great First Job. Dale delivered an inspiring and motivational talk to our Year 12 students, speaking about the importance of personal branding, CV's and UCAS applications.

## SPEED INTERVIEW EVENT

Our speed interview event was a huge success with the Year 9 students at our Olney campus. A huge thank you to all the incredible employers for your time. This was a valuable event for all the students to learn about exciting opportunities, some of which they may have never heard of, and to build their confidence and listening skills. The students asked some great questions and we hope the students found the experience insightful!

## UPCOMING EVENTS FOR AUTUMN TERM

We will be kicking off the term with our one to one careers guidance meetings with our Year 11 students. We also have dates confirmed already for Moulton College, Northampton and Bedford to come and visit and showcase all what they have to offer.

## WORK EXPERIENCE

Our work experience weeks were in full swing this month! Year 10 and 12 students secured placements with various industries from tattoo shops, hairdressers, construction, florists, aqua parks, schools, solicitors, museums and more. A big well done to all the students that took part and gave it their all! And a massive thank you to all the employers who gave our students the opportunity. They couldn't have done it without you!
