# Managing Revision and Revising Smarter

## Top Tips when completing your revision timetable

- ▶ Make your tasks clear. Avoid, “Maths” and go for “Finish 3 Maths questions from the 2022 paper ” or “Ask my English Teacher to go through the model answer with me/us from English Literature paper 1 (Macbeth) so I understand how to make clear links to the wider text”
- ▶ Try and include active verbs like “complete” “start work on...” “speak to...” – they help clarify exactly what the action is
- ▶ Add an estimated time to complete
- ▶ Add a deadline

## ▶ Don't forget...

- Complete your revision scratchcard over the half term break
- Bring your completed pack and all evidence of your revision to your form tutor
- Every completed scratchcard = entry into the prize draw
