## Teacher Training

We are delighted to be part of a new initiative to train the next generation of teachers. Please [click here](#) to find out more!

The Earth Day 2026 theme is "Our Power, Our Planet," highlighting the role of collective action, communities, and individuals in accelerating the transition to renewable energy and securing environmental progress.

Earth Day encourages everyone to make a pledge; something small and achievable which helps look after our planet. What pledge will you make?

A selection of our staff pledges:

"I pledge to walk to work"

"I pledge to not use AI today"

"I pledge to recycle my batteries"

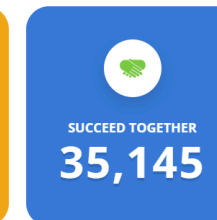

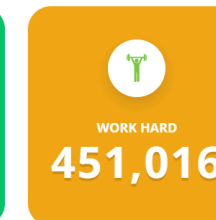

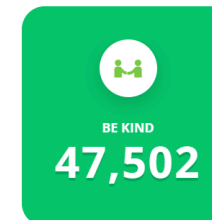

"I pledge to teach with the lights off all day"

"I pledge to use a reusable water bottle and food containers this week (and beyond!)"

"I pledge to have my board and lights turned off when I am not in the room"
