Agenda Item	Actions
1. **Welcome and Apologies (CB)** Apologies from AS and VS	
2. Chairs report (CB) Welcome and thanks to everyone on the committee and to Stuart as school liaison. Early in 2025 supported bids for sixth form, wellbeing and DT Agreed a £1K contribution to SEN Garden space project. Harry Middleton agreed £320 contribution, thanks to Anna for developing this proposal. We set up yourschoollottery in March. This has been successful in raising a good level of funding in the background. Sarah will update on amounts in her treasurers report. We funded, PE equipment, Geography maps, and projects for English, Photography and DT. We did a raffle and the refreshments at the Spring gala concert and as result, donated £500 to the music department towards a new drum kit. We've also continue to run non uniform days and donut sales - these continue to be a reliable source of income. Most recently we provided refreshments and held raffles over each performance of Grease. Special thanks to Sarah Brandon for securing drinks donations from AG Barr and everyone who helped with raffle prizes and on the nights. The ice hockey game last month was well supported by Ousedale families. £200 donation representing 100 ticket sales. Moving forward, we should continue to advertise our background initiatives (easy fundraising/your school lottery/ amazon wishlist/ uniform and revision guide donation) and now need to recruit new members to the committee.
