Our SEND policy can be found on the academy website: [E-ACT Ousedale SEND Policy](#)

Ousedale School is a mainstream setting and member of E-ACT Multi Academy Trust. We are a fully comprehensive, non-selective academy. We believe that all learners should be valued as individuals. We have an inclusive ethos underpinned by our trust values of Think Big, Do the Right Thing and Team Spirit. We offer a broad and balanced academic curriculum. Teaching is adapted to incorporate individual needs and we have in place systems to enable the early identification of barriers to learning and participation. We work hard to ensure equal opportunities for all.

Special educational provision is provision that is '**additional to and different from**' that is made generally for others of the same age. This means provision that goes beyond the differentiated approaches and learning arrangements normally provided as part of high quality, personalised teaching. It may take the form of additional support from within a setting or require involvement of specialist staff or support services. All teachers are teachers of learners with SEND and as such provide quality first teaching which takes account of the individual needs of learners with SEND in their class.

The Four Main Areas of SEND

The Special Educational Needs and Disability code of practice: 0 to 25 years states that there are four main areas included in Special Educational Needs and Disability

The boxes beneath highlight some potential areas of challenge and or difficulty. It is worth remembering that these can also be strengths and should be encouraged wherever possible.

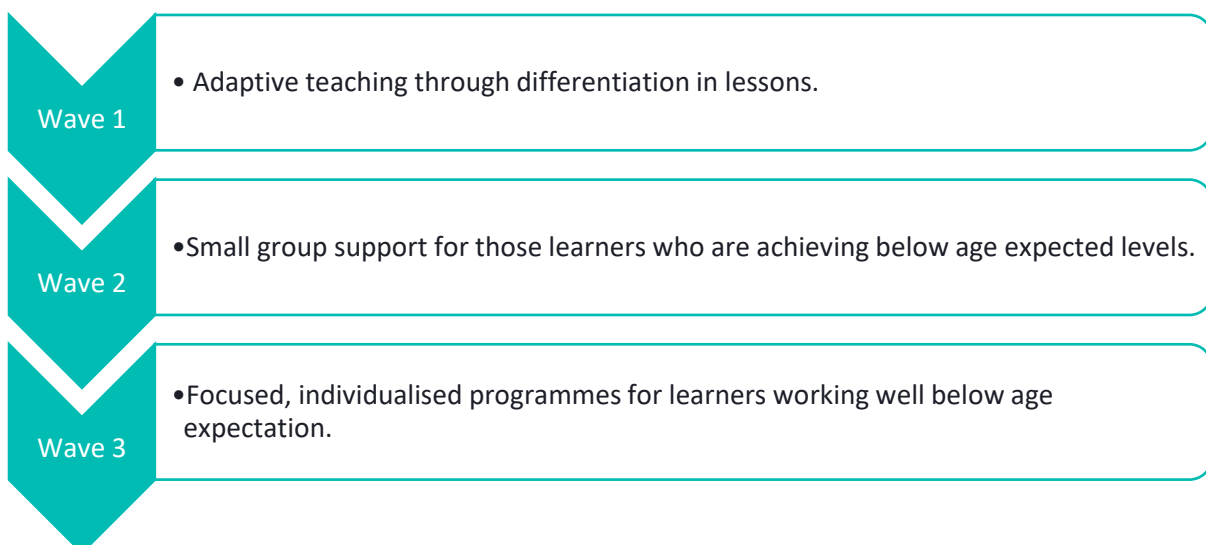

| Area of Special Educational Need | Relating to difficulties with: |
|----------------------------------|--------------------------------|
|----------------------------------|--------------------------------|

| | |
|--|--|
| <p>Communication & Interaction</p> | <p>Children and young people with speech, language and communication needs (SLCN) and or autism spectrum disorder (ASD) may have difficulty in communicating with others. This may be because they have difficulty saying what they want to, understanding what is being said to them or understanding use of social rules of communication. Learners may have:</p> <p>Attention / Interaction skills:</p> <ul style="list-style-type: none"> • May have difficulties ignoring distractions. • Need reminders to keep attention. • May need regular prompts to stay on task. • May need individualised motivation in order to complete tasks. • Difficulty attending the whole class. • Interaction will not always be appropriate. • May have peer relationship difficulties. • May not be able to initiate or maintain a conversation. <p>Understanding / Receptive Language:</p> <ul style="list-style-type: none"> • May need visual support to understand or process spoken language. • May need augmented communication systems • May have frequent misunderstandings. • Repetition of language and some basic language needs to be used to aid their understanding. <p>Speech / Expressive Language:</p> <ul style="list-style-type: none"> • May use simplified language and limited vocabulary. • Ideas / conversations may be difficult to follow, with the need to request frequent clarification. • Some immaturities in the speech sound system. • Grammar / phonological awareness is still poor and therefore their literacy can be affected. |
| <p>Cognition & Learning</p> | <p>Support for learning difficulties may be required when children and young people learn at a slower pace than their peers, even with appropriate scaffolding. This could include areas of need such as Specific learning difficulties (SpLD) eg dyslexia, Moderate learning difficulties (MLD), Severe learning difficulties (SLD) or profound and multiple learning difficulties (PMLD). Learners may have difficulties with:</p> <ul style="list-style-type: none"> • Language, memory and reasoning skills • Sequencing and organisational skills • An understanding of numbers • Problem-solving and concept development skills • Fine and gross motor skills • Independent learning skills • Exercising choice • Decision making • Information processing |

| | |
|--|--|
| <p>Social, Mental and Emotional health</p> | <p>Children and young people may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour.</p> <p>These difficulties may lead to or stem from:</p> <ul style="list-style-type: none"> • Social isolation • Behaviour difficulties (ODD/EBD/PDA) • Attention difficulties (ADHD/ADD) • Anxiety and depression • Attachment disorders • Low self esteem • Issues with self-image • Emotional based school avoidance (EBSA) |
| <p>Sensory and / or Physical</p> | <p>These learners may have a medical or genetic condition that could lead to difficulties with:</p> <ul style="list-style-type: none"> • Specific medical conditions • Gross / fine motor skills • Visual / hearing impairment • Accessing the curriculum without adaptation • Physically accessing the building(s) or equipment. • Over sensitivity to noise / smell / light / touch / taste / Toileting / self-care. |

Waves of Intervention

The academy provides a range of "ordinarily available provision" to meet the needs of all of our learners. This is a graduated response to each learner dependent on the level of need. These are often referred to as waves of intervention.

Key Questions

| <p>Who is the Special Educational Needs Coordinator?</p> | <p>The SEND Coordinator is Helen Bacon</p> <p>Contact details:</p> <p>Phone: 01908 210203 (Newport Pagnell) / 01234 717480 (Olney)</p> <p>Email: sendtriage@ousedale.org.uk</p> <p>The SENDCo works as the SENDCo across both sites. She is a fully qualified SENDCo, holding the NASENDCo qualification through the University of Northampton. She is passionate about levelling the playing field for all and ensuring that all young people are supported to reach their potential.</p> |
| <p>How accessible is the academy site?</p> | <p>Ousedale is a dual site school with differing accessibility offerings.</p> <p>The Newport Pagnell campus is a large campus which operates in blocks. It has wheelchair access to the ground floor but no lifts.</p> <p>The Olney campus is one building designed to accommodate complete wheelchair access.</p> <p>Both sites have coloured painting on steps and stairs and handrails on staircases.</p> <p>We work closely with the Local Authority Sensory team to ensure specialist equipment is provided for those who need it and we are constantly looking to ensure technology to support learning, including, but not limited to, laptops and speech-to-text technology.</p> <p>More detailed information can be found through our Accessibility Plan:</p> <p>Accessibility Plan</p> |

| | <p>As an academically focused academy, the overwhelming majority of our learners follow a traditional curriculum. However, a small number of learners could have a more personalised curriculum to meet their individual needs, interests and abilities. Personalised curriculums will be through discussion with academy headteachers, SENDCOs and where appropriate, local authority caseworkers if an EHCP is present or in the process of being awarded.</p> <p>Where the academy considers it necessary, a learner may be offered additional intervention, in which case you will be informed via letter that this is being completed.</p> <p>There are a range of interventions and additional subject support which are ordinarily available and should your child need this, it would be discussed with you directly. This will form part of the Assess-Plan-Do- Review process (diagram included at the end of this report).</p> <p>Wave 1 interventions:</p> <p>Adaptive teaching (within the classroom)</p> <p>Scaffolded tasks</p> <p>Guidance to staff on how best to support within the classroom.</p> <p>All students on the SEND register co-produce their Pupil Passport with a member of the SEND team. These are shared with all staff via Class Charts and parents / carers are given access to passports through an individual access code. Teachers use these passports to adapt lessons appropriately. Updates to passports are shared with teachers and parents and passports and plans are reviewed throughout the year.</p> <p>Wave 2 interventions:</p> <p><u>Communication and Interaction:</u> Talkabout for Teenagers ASC Group for Girls Dungeons and Dragons Club Lego Therapy</p> <p><u>Cognition and Learning:</u> Toe by Toe SNIP Power of 2 Fresh Start Phonics Additional Literacy and Numeracy groups</p> |

| <p>How will the academy identify if my child has a specific need?</p> | <p>Following completion of baseline assessments on entry to the academy the results will be analysed by the SENDCo as the ‘Assess’ element of the graduated approach. From these assessments, it will be identified if they require specific support or provision.</p> <p>All Year 7 students undertake the NGRT (New Group Reading Test) and Maths Progress tests in the first four weeks of starting school. These results will be analysed by the SEND department as the ‘Assess’ element of the graduated approach. From these assessments, it will be identified if they require specific support or provision.</p> <p>Any staff member can submit SEND referral forms if they have concerns regarding a learner and these are discussed and actioned in a weekly referrals meeting.</p> <p>Referrals forms are part of our evidence gathering for access arrangements and we use a suite of assessments to help with this process.</p> <p>We work closely with external professionals and believe strongly in a multi-agency approach. We provide evidence to external agencies for referrals, assessments and diagnosis requests.</p> |

| <p>How are academy resources allocated and matched to children's special educational needs?</p> | <p>We ensure that all learners with Special Educational Needs have their needs met to the best of the academy's ability with the funds available.</p> <p>We have a large department which spans both sites and is structured as follows: Director of SEND SENDCo Deputy SENDCo Assistant SENDCo (KS3) Assistant SENDCo (KS4/5) HLTAs and TAs</p> <p>We allocate resources dependent on need and are flexible in this approach. We also offer interventions which run outside of the classroom and teach those skills which are needed for life.</p> |
| <p>How will I know how my child is doing and how will you help me to support my child's learning?</p> | <p>All Parents will receive a termly report from subject staff. Parents' evenings and Meet the Tutor evenings are held at specific points in the year and in addition to these the SEND team offer weekly online 10 minute meetings, bookable via Edulink. These take place on Monday mornings 9-11am and are available to all parents who wish to talk to someone regarding their child's SEND needs.</p> <p>Learners with an Education and Health Care Plan (EHCP) will have regular meetings (as required) with the SENDCo together with an Annual Review in line with the Code of Practice 2015 (updated). We consider that the parents/carers' views are a vital part of the review and therefore request parental/carers attendance at the meetings and the completion of parental paperwork prior to the meeting.</p> |
| <p>How will my child be able to contribute their views?</p> | <p>If your child has an EHCP, their views will be sought before review meetings. | <p>How will the academy prepare and support my child to transition to and from the academy?</p> | <p>For learners transitioning to a new educational phase, we liaise with previous schools/settings and/or teachers and provide additional transitional support if it is needed. This is arranged on an individual basis and tailored to the needs of the learner/s. Meetings with the SENDCo are available at parents' request and encouraged for all learners attending with an EHCP.</p> <p>We recognise that transition between schools is a difficult time and we provide a wide range of opportunities to support.</p> <p>This begins with visits to schools to meet Year 5 students with EHCPs, as well as opportunities to come as a family and hear about our provision. Transition continues with our Year 6 Open Evening.</p> <p>For learners with EHCPs we plan a bespoke transition after you have received an offer of a place. For learners in receipt of SEND Support and are identified as requiring some extra transition, there will be extra visits to meet us. A member of the SEND team will visit primary schools with the pastoral team and will work with the primary SENDCo to gather a clear picture of need.</p> |

| | |
|---|--|
| | <p>Pupil Passports are written with learners when they visit us and parents are invited to contribute to this document before the summer holiday.</p> <p>If a learner has an EHCP then the school would want to be present at the annual review meeting in Year 6 to support target setting and be introduced to all professionals supporting the learner and establish an early relationship.</p> |
