

## Useful Websites

	<p>This is a resource that the careers team and teachers use with students. Students can sign up for a free account using their school email address. This will mean you can add useful resources for them and that they have access to Unifrog's careers information library of resources. This includes information on subjects, apprenticeships, careers and help with things such as CVs and applications. To access help sheets please view the UNIFROG section of the Careers webpage.</p>
	<p>The Career pilot website provides a wide variety of information on GCSEs, post 16 and 18 educational options, apprenticeships and information on job roles for students. They also have a Parent Zone which provides information to help parents and carers support young people in making the right decision about study and work.</p>
	<p>This website provides information, advice and guidance to help students to make decisions on learning, training and work. They can also be contacted for impartial careers advice on 0800 100 900 or their live webchat.</p>
 	<p>UCAS is traditionally thought of as just a website to find university courses. However, it has a wide range of resources available such as information on further education, apprenticeships and a careers page to look at different jobs.</p> <p>UCAS are currently offering virtual tours for universities.</p>
	<p>This is an online magazine for parents. It has articles that help parents/carers to support their children in choosing their next steps after education and to give them a sound understanding of all the post 16 options available.</p>
	<p>This website provides information and advice from across a variety of organisations so that you can help steer your school leaver towards a path that most suits them. They have created a comprehensive Parent's Guide to Apprenticeships and University called Options. Find out more about this useful resource <a href="#">here</a>.</p> <p>The Careers Team also have hard copies of this magazine should you want a copy please let us know via <a href="mailto:careers@ousedale.org.uk">careers@ousedale.org.uk</a></p>
	<p>Ousedale School are in partnership with InvestIN. This is a London-based organisation led by a group of experienced professionals from some of the world's most competitive careers. They provide students with an immersive experience of their dream career before starting university, so they can get a head-start over their competition. For a 10% discount when booking experiences please use code OUSEDAL20</p>
