

Year 8 Options - FAQs

How to complete the form

- 1 **All** students must complete all sections of the form
- 2 Please leave a **parent's/carer's email address** in case we need to contact you regarding the options process
- 3 For each Creative option section, you must select your 1st and 2nd preference.
- 4 You will only be allocated 1 subject per Creative option section. We try to allocate 1st preference where possible, but if the subject is oversubscribed, will allocate your 2nd preference.
- 5 Do **NOT** put the same subject as your 1st choice in both of the Creative sections, as you can only take a subject once. You need to put a different subject as your 1st preference in all of the sections so we can see what your preferences are.
- 6 Students should select their language option based on their current language pathway.
 - a. For students currently studying French and Spanish, students should select their preferred language.
 - b. For those students currently studying French only, students should select French. If – given exceptional circumstances – a student currently studying French only wants to select Spanish, a request will need to be made in writing to Mrs Mirfield-Guise or Miss Rickard for consideration.
 - c. Students who do not currently study a language will continue with their SEND workshop and will need to select this option.
